

Castries solar energy storage cabinet lithium battery cabinet manufacturing plant

Overview

Where is pytes manufactured?

Through years of dynamic development, PYTES has set up several manufacturing bases and sales centers domestically in Shanghai, Shandong, Jiangsu and overseas in Vietnam, USA and Netherlands, covering multiple areas including solar energy storage system, packs for two-wheelers, cylindrical batteries, and .

What makes pytes a leading battery brand?

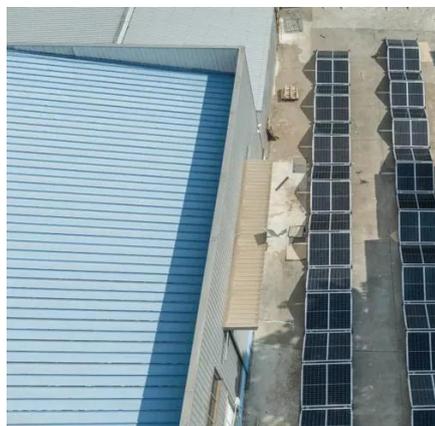

Based on the company philosophy "Focus, Innovation, Pragmatism, Cooperation", PYTES has been striving for being a leading battery brand by offering high-quality products which meet the market and customer demands, and providing customers all around the world with advanced green energy solutions.

How big is pytes Battery Company?

PYTES currently has total assets over USD 104 million, 1000+ employees and annual capacity of 1.82GWh. The corporation's sales revenue continues growing and reached USD 220 million in year 2021. PYTES has been consistently targeting to be an industry battery expert and to contribute to the society with continuous business operation.
