We specialize in manufacturing high-quality IP-rated enclosures up to IP65, suitable for demanding industrial and outdoor environments. All our IP65 enclosures are tested and come with official certification reports. Custom sizes, materials, and cutouts are available.

The global market for IP65 telecom cabinets is expanding rapidly, driven by increasing demand for robust outdoor telecommunications infrastructure. Valued at approximately $3.2 billion in 2023, the sector is projected to grow at a CAGR of 8.7% through 2030. This growth is fueled by 5G network.

With over 20 million enclosures deployed and more than 50 years of innovation, Charles is the communications industry's go-to source for enclosed solutions. Combining a consultative approach and engaged support, we guide you through protecting your critical network infrastructure. With integrated.

The protection level reaches IP65 which means the material can provide a great performance of both water-proof and dust-proof.With the rising of PON (Passive Optical Network), optical . Type C Cabinet The Cannon Type C Cabinets are totally sealed to IP65, which makes them suitable only for.

Explore AZE's premium NEMA-rated and weatherproof enclosures designed for telecom, industrial electrical, and energy storage applications. Built to withstand harsh environments and extreme conditions, our enclosures ensure optimal protection and peak performance for your critical equipment. Explore.

Control systems are the heart of every manufacturing facility — and it all starts with the enclosure. Once you populate your cabinet with components to control, adjust, measure, and monitor equipment across your facility, it quickly transforms into the central backbone of your automated system. We.

At Nema Enclosures, we utilize the IEC's standardized International (or Ingress)

Protection Code system for measuring enclosures' capabilities. The IP Code reflects the degree of protection as "IP" followed by two numbers; the first digit shows the extent to which enclosures are protected against.
